INVOLVEMENT FAIR GENERAL INFORMATION

Held during Bearcat Week each fall, the Student Involvement Fair is the best place to find a student organization that meets your needs and interests. The 2009 Involvement Fair will be held on Monday, August 24 from 11 am until 2pm in the Quad at McKendree. In the event of bad weather, it will be rescheduled for Thursday, August 27.

Members of McKendree student organizations, campus departments, area businesses, and community agencies will be out on the Quad to share with you a little bit about what they do and how they can assist our students. This is your first and best opportunity to chat with them and start determining what you're going to get involved with outside of your classes. The Involvement Fair is an excellent way for clubs and organizations to get exposure and recruit new students.
