Or one of three Economics Courses: ECO 350. Current Economic Issues or ECO 352. Labor Economics or ECO 353. Managerial Economics.

Note: An additional total of 21-27 (7 to 9 courses) credits will be required to be taken in the summers prior to each year.

If students choose to double major and/or minor, the following catalog rule applies:  
Any course applied toward the completion of one major/minor may not also be applied toward the fulfillment of elective requirements in another major/minor.
