Academic Excellence Celebration

THE MCKENDREE EXPERIENCE

A McKendree University education cultivates the intellect and spirit of persons who care for one another and for the world in which they live. The university promotes the highest level of academic, ethical, civic, and career development possible for all students. All students are capable of intellectual and personal growth within a university environment that encourages them to be active members of a community of learners.

The mission of McKendree University is to provide a high quality educational experience to outstanding students. This mission has four integrated components: **Responsible Citizenship, Engagement, Academic Excellence, and Lifelong Learning.**

Student learning outcomes stem directly from the mission and include the following:

DIVERSE PERSPECTIVES

Students will understand human and cultural differences, engage with diverse individuals, and embrace variety in viewpoints.

PERSONAL AND SOCIAL RESPONSIBILITY

Students will exhibit personal and social responsibility.

ENGAGEMENT

Students will participate actively in classroom, co-curricular, and community experiences to enhance learning.

EFFECTIVE COMMUNICATION

Students will communicate effectively in oral, written, and creative forms.

INQUIRY AND PROBLEM SOLVING

Students will use analytical skills and critical thinking to solve problems.

DISCIPLINE-SPECIFIC COMPETENCE

Students will demonstrate the knowledge, skills, and attitudes required of their chosen discipline.

LIFELONG LEARNING

Students will pursue opportunities to enhance personal and professional growth.

The purpose of the Academic Excellence Celebration is to showcase the academic accomplishments of McKendree University students, faculty, staff, and alumni.

Location: PAC 216

#98 – Relational Maintenance, Communication, and Satisfaction in Military Couples

The sacrifices we ask our military to make not only affect the service members, but also the friends and family members surrounding them. Military obligations can lead to relational tensions that put many military relationships at risk. Understanding how effective communication can lead to satisfactory relationship development during military service could be critical to the success of these families. Thus, the purpose of this study is to understand the relationship between relational maintenance, relational communication, and relational satisfaction among military couples.

Presenters will share results of their study and advice for those who may be in military relationships.

Presenters: Victoria Day, Macci Rueter

Faculty Sponsor: Dr. Richard Murphy

Location: PAC 217

2017 Academic Excellence Celebration

April 27, 2017

“The Inspiration depicts a timeless classic figure who, upon the foundation of other great thinkers and teachers, has arrived at that moment when the solution is clear and the future is at hand.”
