Community Service Requirement—What is it? Why require it? What Counts?
Since 2003, all incoming academic scholarship recipients are asked to give 15 hours of approved service each academic year. Community Service fulfills the mission of McKendree University to "...encourage broader vision, enriched purpose, engagement with community, commitment to responsible citizenship, openness to new ideas..." as found in the University Catalog. The following are examples of approved service: Any Center for Public Service volunteer program, mentoring, tutoring, homeless shelters, soup kitchens, retirement centers, animal shelters, crisis centers, and social service programs.
The following are not accepted by the Center for Public Service as volunteer hours: volunteering on campus, federal work study hours, relays, fundraising, proselytizing, campaigning, or any service performed for a private business, or for compensation (***Contact mckcps@mckendree.edu when in doubt)

*For service programs not affiliated with McKendree University's Center for Public Service, please have the supervisor fill out the following information so we may verify your service hours. Service hours submitted without proper contact information will be rejected.
