Current Business

- **Swear In**
  - Tiffany Pryor accepted her invitation to SGA, but she fractured her foot over the weekend and will participate in her swear in next week.

- **Readership Program**
  - **Tuesday, November 12:** *Coffee and donuts in PAC lounge.* To make students aware of the program, we will be passing out pamphlets for more information on the program.

Old Business

- **Grade Release:** If you have not yet filled out a grade release form, please do so after the meeting tonight.

New Business

- **Chili Cook Off:** Tuesday, November 2 from 11 – 1p.m. in PAC lounge.

- **Green House:** Lucas Barker brought to our attention that the door to the greenhouse is always open, weeds are surrounding the greenhouse, and it is not appealing to the eye. Morgan Roscow stated that McKendree has an image to keep up and the greenhouse does not stand up to the image we suggest. Chelsea Knight added that she has noticed the issue as well and suggested the upkeep of the greenhouse could be a work study job for biology majors or any other students interested.

Open Session

- **Keo:** The west side of the Hunter Street apartments is unlit.
  - The issue depends on whether the property on the west side of the building belongs to McKendree or to the city of Lebanon. We will look into this issue.

- **CJ:** Congratulations to the football team for their victory over Quincy this weekend, and the women’s soccer team for being the first team to make it to playoffs.
  - BADD meeting tomorrow (Tuesday) night at 8 p.m. in the PAC Lounge.
  - Bone Marrow Drive is this Thursday.

- **Craig Robertson:** There will be an NFL bullying email forwarded to us in the near future; look for that!

- **Matt:** Contact Matt if you would like to participate in making chili for the Chili Cook Off at Matt’s apartment on Sunday night.

- **Tré:** Leaf Burning in Lebanon?
  - There is not a city ordinance banning the burning of leaves; however, there are specific hours that residents may do so.
  - **CJ:** Someone was burning leaves on the north side of the street at McKendree West.
    - Call Public Safety if you have an issue with that again.
