- **Bearcats Go Almost Bare For Body Image:** This event has been postponed until the fall semester in order to plan more efficiently and gather more involvement.

- **IT Funding:** George Kriss attended the Executive Board meeting last Wednesday and he did not believe that buying printers with SGA monies would be a wise investment considering printers are not in need at the moment. He did, however, suggest if we did buy printers that they include a copier and a fax machine as well. However, he did recommend donating money in order to create a new wireless program for better WiFi connection around campus. Lastly, Mr. Kriss suggested donating some funding for the library to build a new computer lab. *Lucas Barker moved to use all SGA funding, except a $1,000.00, to donate to a new wireless program. Lauren Haukapp seconded the motion.* Discussion followed. *Lucas Barker moved to amend the motion to allocate the entirety of the Campus Issues monies, which was a total of $4,807.00, to a new wireless system.
