## Division of Visual and Performing Arts

- **Major: 43-51 credits**
- **Emphases in Classical Performance or Jazz Performance**
- **Minor: 18 credits**
- **All courses for the major must be completed with a grade of C or better**
- **Minors must complete course work with 2.25 GPA and complete 8 credits of upper-level course work**

### PROGRAM REQUIREMENTS:

- **Majors participate in an ensemble and performance lab every semester; minors participate in an ensemble and performance lab for 4 semesters**
- **Capstone, Performance Emphasis: Senior recital**

**Mission:** The mission of the McKendree University music faculty is to provide students with the skills to appreciate, evaluate, and perform music from different eras of history and different cultures. Students will be expected to analyze music theoretically and to understand its historical significance. Students will then apply these skills in critiquing and evaluating their own and/or other artists' performances. The acquisition of these skills will enable students to be lifelong participants in artistic, cultural and intellectual life.

### Student Learning Outcomes

*Students will:*

- Identify and analyze the elements of music: melody, rhythm, harmony, texture, form and timbre/medium.
- Recognize specific characteristics of music from different cultures and different historical eras.
- Perform a collegiate repertoire with an understanding of instrument-specific performance practices.
- Critique and evaluate performances of musical works.

**Preparation:** The degree prepares students to enter graduate school in performance, music history, music theory or music therapy. Music majors also may choose to audition for positions in orchestras or bands, or open a private studio.
