

BA/MACJ 4+1 Option

McKendree University offers qualified students the opportunity to earn both a Bachelor of Arts (BA) in sociology and a Master of Arts (MA) in criminal justice in a total of five years. The BA/MACJ 4+1 option combines foundational appreciation for how society influences individual behavior and an understanding of how societies are structured, along with the study of advanced topics in criminal justice.

Undergraduate students with strong academic performance (earned at least 60 credit hours and a minimum cumulative GPA of 3.0) may apply for admission to the BA/MACJ 4+1 MACJ option. Students may qualify for the BA/MACJ 4+1 option by following any of the sociology tracks.

Option Features

- Students spend up to four academic years in undergraduate-level study.
- During their senior year, students take a maximum of four graduate-level courses that meet both their undergraduate and graduate program requirements when they earn a grade of B- or better.
- At the end of the fourth year, the undergraduate degree is conferred.
- Following undergraduate degree confirmation, students may enroll in the graduate program full-time and complete the MACJ degree in the fifth year.

Students interested in the BA/MACJ 4+1 option are encouraged to consult with their undergraduate adviser as early as possible to select a sequence of courses that will satisfy both the requirements for their undergraduate major and this option.

Admission Requirements

- Admitted status will permit undergraduate senior-level students to take up to four select 600-level graduate courses during their senior year.
- The Director of the MACJ will work with the student's undergraduate adviser to develop a schedule of 600-level courses for the student to complete in the senior year.
