FALL FAMILY WEEKEND
SEPTEMBER 28-30, 2007

Dear McKendree Family,

On behalf of the entire McKendree University family, the Office of Campus Activities cordially invites you and your family to attend this year's Fall Family Weekend, to be held Friday, September 28 through Sunday, September 30. Fall Family Weekend, a longtime tradition at McKendree, strives to give families the opportunity to become better acquainted with the University. As our institution has undergone a transition to becoming a University, it is our mission to continue providing a weekend event with high quality programming and entertainment. During your visit, we encourage your family to visit with your McKendree student, meet their friends, other parents, as well as McKendree University faculty and staff. We also invite you to explore the new McKendree University.

Enclosed within this booklet, you will find a schedule of events including: musical performances, novelty entertainment, and athletic events. I invite you to come and support your McKendree student and enjoy this fall weekend.

Sincerely,

Craig Robertson
