

# COVID-19 Related Policy Changes

Please take note of the policy changes the University has implemented until further notice.

## Visitation Policy

For the safety of our students and staff, no outside visitors or students who do not live in the same residential building are permitted into University residential facilities at any time until further notice. Residents and their guests who live in the same residence are required to adhere to the University's social distancing guidelines and wear a mask/face covering in all areas during the entire time of the visit.

The number of guests permitted in each space is limited to the following for each assignment (not per student):

Baker, Barnett, and Walton Halls: 1 guest

The Suites: 3 guests

Residence Hall East/West: 2 guests

Hunter Street: 2 guests

McKendree West: 2 guests

## Face Mask Policy

All faculty, staff, students, vendors, and visitors are required to wear a face mask while indoors and outside when social distancing is not possible. This includes classrooms, laboratories, communal office spaces, residential common spaces, on-campus gatherings, and any campus settings where social distancing is difficult to maintain.

## Social Distancing Policy

All faculty, staff, students, vendors, and visitors are required to practice social distancing whenever possible on all owned and operated McKendree property. This means that all persons should remain at least six feet apart, both inside and outside of buildings.

## Dining on Campus

Students will have a choice of eating in the dining hall or selecting a to-go box for carry-out dining. Everyone will be required to wear masks when not dining at their table. Seating for dining service will be limited to a capacity of 50 people at a time, and tables will only be available for dine-in patrons. Bogey Bucks are encouraged to reduce cash transactions, and to promote less contact between guests and cashiers.

For full policy details, and all other University policies, please read the Student Handbook.
