\*General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education

It is strongly suggested that MKT/MGT 424 should be taken for the General Education Ethics requirement and that MGT/MKT 340 be taken to satisfy the General Education Cross Cultural Studies requirement.

To take MKT/MGT 304 students must take MGT 204, Principles of Management, and MKT 205, Principles of Marketing. Both of these courses are prerequisites for MKT/MGT 340.

The marketing courses annotated as an elective are not required, but strongly recommended. Other marketing electives can be substituted for them.

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
