\*General Education Requirements – Some courses fulfill general education as well as major requirements. See catalog for accepted courses for general education

\*\*If credit for MTH 210 has already been obtained, students can take MTH 211 in the fall of their first year, or they can wait to take MTH 211 during the spring of their first year. In addition, if MTH 320 is offered during the fall of their first year, they should take it then.

\*\*\* Note that MTH 320 and MTH 375 are on alternate year schedules. Students should see advisor to co-ordinate studying for SOA exams with course work.

If students choose to double major and/or minor, the following catalog rule applies: any course applied toward the completion of one major or minor may not also be applied toward the fulfillment of elective requirements in another major or minor.
