

# Application for McKendree University/ Illinois Community College System Foundation – Scholarship Partnership

- McKendree University is committed to both attracting the best and brightest students from Illinois' outstanding community college system and to making our educational opportunity financially accessible to every well-qualified student in the state. In recognition of this commitment, we have partnered with the Illinois Community College System Foundation (ICCSF) which will provide scholarships valued at \$14,000 per year (\$28,000 over two years) to two outstanding students **from every Community College in the State of Illinois.**
- The vision of the Illinois Community College System Foundation is to provide to the 48 Colleges leadership, financial resources, course and program support, and a positive image through quality fundraising and grants. Deadlines to complete the application: March 15 for the fall semester and October 15 for the spring semester.
