There is currently only one fraternity on campus.

Greek Letters	Organization	Affiliation	President	Advisor	Council
ΑΔΓ	Alpha Delta Gamma	National Fraternity	Josh Hughlett	Adam Tournier, Zane Maus	IGC

These are the only registered fraternities and sororities on campus at McKendree University at this time. These groups are affiliated, monitored by and follow policies of the university.

In January of 2014, the Office of Fraternity and Sorority Life began an expansion with the Fraternity Phi Beta Sigma Inc. As of May 5, 2016, this expansion has been concluded on a basis of membership recruitment and retention concerns. The group has a two year absence from campus but may start another colonization attempt on May 5, 2018.

The university recommends not seeking membership with unrecognized groups. If a student chooses to join an unrecognized group, they do so at their own risk of academic failure or difficulty and physical and emotional hazing.
