Introduction:
McKendree University is required to prepare this report in compliance with the Jeanne Clery Disclosure of Campus Security Disclosure Policy and Crime Statistics Act and the Campus Security Enhancement Act. Included are statistics covering the three previous calendar years of reported crimes occurring on campus, on specific off-campus property owned or controlled by McKendree University, on public property within or immediately adjacent to and accessible from the campus. This annual report also includes statistics of specified crimes reported to local police that occurred on or near any campus or non-campus property where McKendree students study.

The Clery Act requires that in addition to campus law enforcement and staff designated as Campus Security Authorities (CSA) provide statistics for this report. CSAs are usually found in departments responsible for, but not limited to, student and campus activities, safety/security, discipline, housing, athletics, human resources or judicial proceedings. Also included in this report are safety and security policy statements for McKendree University.

This report is distributed and made available to all current students and employees through on-line access at: www.mckendree.edu or viewed at the Holman Library on campus, the Office of Public Safety, the Office of Administration and Finance or the Office of Student Affairs. A paper copy of this report may be obtained by request from the Office of Student Affairs or Vice Chancellor of Administration.

THE CLERY ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal mandate requiring all institutions of higher education (IHEs) that participate in the federal student financial aid program to disclose information about crime on their campuses and in the surrounding communities. The Clery Act affects virtually all public and private IHEs and is enforced by the U.S. Department of Education (ED). Campuses that fail to comply with the act can be penalized with large fines and may be suspended from participating in the federal financial aid program.

The Clery Act, formerly known as the Crime Awareness and Campus Security Act, was signed in 1990 and is named after 19-year-old Jeanne Clery who was raped and murdered in her Lehigh University residence hall in 1986. The Clery Act was amended in 2008 and the Security on Campus Web site includes a summary of those amendments.

The Clery Act requires every Title IV institution, without exception, to have and disclose emergency response and evacuation procedures in response to a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged if and when, they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.
Pastoral Counselor:

A person who is associated with a religious order or denomination recognized by that religious order or denomination as someone who provides confidential counseling, and who is functioning within the scope of that recognition as a pastoral counselor.

Professional Counselor:

A person whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.

Procedures to report criminal actions or other emergencies occurring on campus

To assist in the protection of property and safety of personnel, the university provides a Department of Public Safety. The Public Safety Office is located at 535 N. Monroe. The Public Safety Office may be reached by telephone at (618) 537-6911. Dial 9-911 from a faculty or staff phone or 7-911 from a student phone for the Lebanon Police and Fire Departments or Emergency Medical Services Residence Life Staff. Selected Physical Plant personnel can communicate directly with the Public Safety Department via two-way radio. The Public Safety Department is capable of radio communication with the Lebanon Police and Fire Departments.

Response to reports of criminal actions or other emergencies occurring on campus - (Kentucky Centers report criminal activity to the local police department)

The Department of Public Safety staff will respond to all criminal actions and/or emergencies occurring on campus. The Lebanon Police Department will respond to reports of criminal actions or emergencies when requested.

Policies concerning campus law enforcement

The Department of Public Safety is established by Illinois Revised Statute Chapter 144, Section 2951 and McKendree Policies and Procedures Section 5.3.14. The staff of the Department of Public Safety consist of sworn commissioned officers and non-sworn officers. An effective working relationship is maintained with the Lebanon Police Department.

Security of and access to campus facilities –

Security considerations in the maintenance of campus facilities

The University has written policies concerning access to campus facilities. The policy states that no person will enter into and/or utilize any university facility without proper authorization. Residence facilities are locked 24/7. All faculty, staff and student members of the university community are issued a personalized identification card, with their picture, identifying the bearer as a member of the campus community. The Department of Public Safety staff conducts weekly checks of campus lighting and reports all inoperative lights to the Physical Plant for repair. Inspections of fire warning and fire suppression systems are conducted on a routine basis.

Notices and publication of security concerns

Students and employees of the university are informed about safety and security concerns through the university
newspaper, new student orientations, employee/student handbooks, on-line notification or any other means deemed necessary by the University.

Information concerning registered sex offenders in the State of Illinois

Information about local sex offenders registered with the State of Illinois as required by Illinois law may be obtained at the Illinois State Police web site, www.isp.state.il.us, or by contacting the Lebanon Police Department at 403 West St. Louis Street, Lebanon, IL 62254 or by calling the Lebanon Police Department at (618) 537-6131 or (618) 537-4955.

In order to ensure the safety of the McKendree campus community, the Office of Public Safety is responsible for maintaining a safe and orderly environment on the campus, assisting members of the University community as needed, responding to emergency situations including fire alarms, inclement weather alarms and other incidents; and enforcing parking and other university policies. Public Safety officers work to create an environment where people can feel safe to learn, work, live and visit, and is committed to providing safety and protection to the entire University community.

McKendree University also offers campus safety and security services such as 24-hour foot and vehicle patrols, late night transport/escort service, 24-hour emergency telephones, lighted pathways/sidewalks and controlled dormitory access (key, security card, etc.). Of the students at McKendree University, 85 percent have cars on campus. Alcohol is not permitted for students of legal age at McKendree University.

Public Safety is responsible for enforcing University policies which directly affect the maintenance of a safe and secure environment on the campus. However, it is the responsibility of all members of the University community to know and understand the University’s policies as outlined in the Student Handbook and Employee Handbook. It should also be noted that any actions which are prohibited under local, state or federal law also violate University policy, and Public Safety officers are required by law to intervene in such cases.

Campus safety and security is a community responsibility. Public Safety officers rely upon others in the community to cooperate by reporting all incidents and activity which might cause injury to others or to property, and by behaving in a manner consistent with the University’s rules and regulations.

Campus Law Enforcement Authority

McKendree University Department of Public Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at McKendree. Public Safety officers also have the authority to issue parking tickets, which are billed to financial accounts of students, faculty and staff. Public Safety officers do possess arrest power. Criminal incidents may be referred to the local police who have jurisdiction on the campus. The Public Safety office maintains a highly professional working relationship with the St. Clair County Sheriff’s Department and the Lebanon Police Department. All crime victims and witnesses are strongly encouraged to immediately report the crime to Public Safety and the appropriate police agency. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

Public Safety hours of operation: Monday - Sunday, 24 hours a day/7 days a week located at 535 N. Monroe. Telephone: (618) 537-6911

When leaving a message for the Office of Public Safety, please be sure to include your name, your location and a phone number where you can be contacted. Students in the residence halls should also contact the residence life staff on duty, who can summon public safety officers by phone.
Voluntary Confidential Reporting
If you are the victim of a crime and do not want to pursue action within the University System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director or a designee of the Department of Public Safety can file a report on the details of the incident without revealing your identity. With such information, McKendree University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the University.

Limited Voluntary Confidential Reporting
The Department of Public Safety encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Department of Public Safety cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to other McKendree campus security authorities such as a Dean of Students, Director of Residence Life, Resident Director or Resident Assistant. Confidential reports of crime may also be made to St. Louis Crime Stoppers Hotline at 866-371-TIPS or (8477).

Services

Emergency Phones
24-hour blue light emergency telephones are strategically placed in four locations on campus: Circle Drive, MPCC, McKendree West and Parking Lot – E. Any student experiencing an emergency, including medical emergencies, may pick up a blue light phone and push the button and an officer will be immediately dispatched.

Lockouts and Jumpstarts
Public Safety officers often assist students locked out of their rooms, as well as community members who are locked out of their vehicles. Anyone needing a jump start is also encouraged to contact the Office of Public Safety.

Campus Parking and Decals
All students, faculty and staff are required to display a University issued parking permit on their vehicle when parked in a campus parking lot. Decals can be obtained from the Office of Public Safety.

Lost and Found
~ Lost something?
   Call or stop by the Office of Public Safety Office and we can check our records.
~ Found something?
   Please bring it to the Office of Public Safety Office

Safety Tips:

1. Exercise caution when walking on campus, especially at night. When possible, travel in groups and always keep an eye out for strangers when walking on campus. Drive carefully! Be extra cautious while driving in the parking lots.
2. Keep your doors locked at all times. Never leave car or residence hall room doors unlocked for any reason. Also, refrain from allowing others to use your car or to remain in your room unattended.

3. Report suspicious behavior to Public Safety. If you notice someone whom you do not recognize walking around campus or in the buildings unattended, contact Public Safety. All guests on the campus are supposed to be escorted at all times.

4. Refrain from using alcohol or other drugs. Use of alcohol tends to impair judgment, awareness, and motor functions, and therefore you are more likely to be injured or victimized. Remember that you are still responsible for your actions: alcohol is no excuse. Don’t lose your head to alcohol or drugs!

The University’s parking policy is designed to ensure that a large number of people can share limited resources. Therefore it is important for all members of the campus community to accept responsibility for adhering to the policy.

**All students, faculty and staff who wish to operate a vehicle on campus must:**

1. Bring their registration and license to register their vehicle with the Public Safety Office.

2. Obtain and properly display the appropriate parking permit.

3. Park only in the properly designated areas.

4. Refrain from parking in official spaces, spaces reserved for persons with disabilities, or areas reserved for emergency vehicles.

5. Exercise caution in driving on campus and observe all traffic ordinances.

Those who violate these policies can expect to receive a citation for the alleged violation. Citations can carry fines of up to $250.00 or more depending on the violation and the number of offenses. Members of the University community may also have their campus driving privileges suspended.

**SECURITY AWARENESS and CRIME PREVENTION PROGRAMS**

The Department of Public Safety and Residence Life staff provides security awareness and crime prevention presentation programs to students, parents and faculty during the Spring and Fall semesters. Information is given regarding emergency calls, alert notifications, alcohol abuse, drug use, sexual assaults, crime prevention measures and personal safety tips. Public Safety readily coordinates upon request with other University Departments and student organizations to provide crime prevention presentations throughout the school year.

SEXUAL MISCONDUCT POLICY

Sexual Misconduct Policy & Complaint Resolution Procedures

McKendree University is committed to providing a learning, working, and living environment that promotes personal integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex. The University considers sex discrimination in all its forms to be a serious offense. Sex discrimination constitutes a violation of this policy, is unacceptable, and will not be tolerated. Sexual harassment, whether verbal, physical, visual, or digital, is a form of prohibited sex discrimination, and sexual violence is a particularly severe form of sexual harassment. These terms are defined in Section IV, below.

This policy applies to all University employees, including staff, faculty, and administrators; students; applicants for employment; customers; third-party contractors; and all other persons that participate in the University’s educational programs and activities, including third-party visitors on campus (the “University Community”). This policy prohibits sex discrimination, sexual harassment, and sexual violence when the
complainant and alleged perpetrator are members of the same or opposite sex, and it applies regardless of national origin, immigration status, or citizenship status. The University’s prohibition on sex discrimination, sexual harassment, and sexual violence extends to all aspects of its educational programs and activities, including, but not limited to, admissions, employment, academics, athletics, housing, and student services. The University has jurisdiction over conduct covered by this policy that occurred on campus, during or at an official University program or activity (regardless of location), or off campus when the conduct could create a hostile environment on campus. The University will investigate all complaints made under this policy and, if necessary, take action to prevent the recurrence of sex discrimination and remedy its effects.

It is the policy of the University to comply with Title IX of the Education Amendments of 1972 and its implementing regulations, which prohibit discrimination based on sex in the University’s educational programs and activities. Title IX and its implementing regulations also prohibit retaliation for asserting claims of sex discrimination.

The University has designated the following Title IX Coordinator to coordinate its compliance with Title IX and to receive inquiries regarding Title IX, including complaints of sex discrimination:

Dr. Joni Bastian  
Dean of Students  
106 Clark Hall  
701 College Road  
Lebanon, Illinois 62254  
Phone: (618) 537-6555  
E-mail: jjbastian@mckendree.edu

The University has also designated the following Deputy Title IX Coordinator to assist the Title IX Coordinator in carrying out his or her duties under this policy:

Ms. Jennifer Miller  
Assistant Vice President for Student Affairs  
106 Clark Hall  
701 College Road  
Lebanon, Illinois 62254  
Phone: (618) 537-6572  
E-mail: jrmiller@mckendree.edu

A person may also file a complaint of sex discrimination with the United States Department of Education’s Office for Civil Rights regarding an alleged violation of Title IX by visiting: www2.ed.gov/about/offices/list/ocr/complaintintro.html or by calling 1-800-421-3481.

**Sexual Misconduct** is an umbrella term covering sex discrimination, sexual harassment, sexual violence, domestic violence, dating violence, and stalking. This term will be used throughout the remainder of this policy and the Complaint Resolution Procedures when collectively referring to these types of conduct.

**Sex Discrimination** occurs when persons are excluded from participation in, or denied the benefits of, any University program or activity because of their sex. Sex discrimination can include adverse treatment based on one’s sex, as well as the other prohibited conduct outlined below.
Sexual Harassment is unwelcome conduct of a sexual nature and includes sexual advances, requests for sexual favors, and other verbal, physical, visual, or digital conduct of a sexual nature when:

- Submission to such conduct is made or threatened to be made, either explicitly or implicitly, a term or condition of an individual’s employment or education
- Submission to or rejection of such conduct by an individual is used or threatened to be used as the basis for academic or employment decisions affecting that individual, or
- Such conduct has the purpose or effect of substantially interfering with an individual’s academic or professional performance or creating what a reasonable person would perceive as an intimidating, hostile, or offensive employment, education, or living environment.

Examples:
- Pressure for a dating, romantic, or intimate relationship
- Unwelcome touching, kissing, hugging, rubbing, or massaging
- Pressure for sexual activity
- Unnecessary references to parts of the body
- Sexual innuendos, jokes, humor, or gestures
- Displaying sexual graffiti, pictures, videos or posters
- Using sexually explicit profanity
- Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities
- Social media use that violates this policy
- Leering or staring at someone in a sexual way, such as staring at a person’s breasts or groin
- Sending sexually explicit emails or text messages
- Commenting on a person’s dress in a sexual manner
- Giving unwelcome personal gifts such as flowers, chocolates, or lingerie that suggest the desire for a romantic relationship
- Commenting on a person’s body, gender, sexual relationships, or sexual activities
- Sexual violence (as defined below)

Sexual Violence is a particularly severe form of prohibited sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent because of his or her temporary or permanent mental or physical incapacity, because he or she is below the minimum age of consent in the applicable jurisdiction, or because of his or her incapacitation due to the use of drugs and/or alcohol. Other types of conduct may also constitute sexual violence.
Examples:
- Rape or sexual assault: sexual intercourse (anal, oral, or vaginal) by a man or woman upon a man or woman without consent
- The use of force or coercion to effect sexual intercourse or some other form of sexual contact with a person who has not given consent
- Unwilling sexual penetration (anal, vaginal, or oral) or other sexual touching with any object or body part that is committed by force, threat, intimidation, or otherwise without consent
- Having sexual intercourse with a person who is unconscious because of drug or alcohol use
- Hazing that involves penetrating a person’s vagina or anus with an object
- Sexual exploitation, which includes, but is not limited to, the following:
  - Sexual voyeurism
  - Use of the “date rape drug” to effect sexual intercourse or some other form of sexual contact with a person
  - Knowingly transmitting a sexually transmitted disease such as HIV to another person through sexual activity
  - Secretly videotaping or photographing sexual activity where the other party has not consented
  - Disseminating sexual pictures or videos of another person without consent regardless if the pictures or videos were obtained with consent
  - Prostituting another person
Lack of consent is a critical factor in determining whether sexual violence has occurred. Consent is informed, freely given, and mutually understood. Consent requires an affirmative act or statement by each participant. Consent is not passive.

- If coercion, intimidation, threats, and/or physical force are used, there is no consent; a person’s lack of verbal resistance or submission resulting from the use or threat of force does not constitute consent
- If a person is mentally or physically incapacitated or impaired by alcohol or drugs such that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent

Warning signs of when a person may be incapacitated due to drug and/or alcohol use:

- Slurred speech, falling down, passing out, and vomiting
- If a person is asleep or unconscious, there is no consent
- A person who is under age in the applicable jurisdiction cannot provide consent to sexual activity
- Consent to one form of sexual activity does not imply consent to other forms of sexual activity
- Consent to past sexual activity does not imply consent to other forms of sexual activity.
- Dressing in a certain manner does not constitute consent
- Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another
- Consent can be withdrawn at any time. A person who initially consents to sexual activity is deemed not to have consented to any sexual activity that occurs after he or she withdraws consent
- Being in a romantic relationship with someone does not imply consent to any form of sexual activity
- Effective consent may not exist when there is a disparity in power between the parties (e.g., faculty/student, supervisor/employee)

Domestic Violence, Dating Violence, and Stalking

The crimes of domestic violence, dating violence and stalking can also constitute sexual misconduct when motivated by a person’s sex. These types of conduct, no matter the motivation behind them, are a violation of this policy and will be addressed pursuant to the Complaint Resolution Procedures below.

Domestic Violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of a victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

- The definition of domestic violence under Illinois law can be found at 750 ILCS 60/1
- Domestic battery, a form of domestic violence, is also defined in Illinois law at 720 ILCS 5/12-0.1 and 5/12-3.2

Dating Violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

- Illinois law does not specifically define dating violence, but conduct of this nature is covered by the definitions of domestic violence and domestic battery noted above.
Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

- Stalking can include conduct that occurs via social media (i.e., “cyberstalking”)
- The definition of stalking under Illinois law can be found at 720 ILCS 5/12-7.3

E. The University
When the University is aware that a member of the University Community may have been subjected to or affected by conduct that violates this policy, the University will take prompt action, including a review of the matter and, if necessary, an investigation and appropriate steps to stop and remedy the sexual misconduct. The University will act in accordance with its Complaint Resolution Procedures.

Complaints and Reports
Making a Complaint or Report of Sexual Misconduct

Employees
All University employees have a duty to report sexual misconduct to the Title IX Coordinator or Deputy Title IX Coordinator when they receive a report of such conduct, witness such conduct, or otherwise obtain information about such conduct and must do so within 24 hours of receiving such information. This includes employees who may have a professional license requiring confidentiality if they are not employed by the University in that professional role. An employee not reporting sexual misconduct as required by this policy may be disciplined accordingly, up to and including termination. This section does not apply to those identified in Section VI.A.4 of this policy.
Students
Students who wish to report sexual misconduct should file a complaint with the Title IX Coordinator or Deputy Title IX Coordinator. Students should be aware that all employees at the University, other than those identified in Section VI.A.4 below as confidential advisors, have an obligation to report information about sexual misconduct to the Title IX Coordinator for review and investigation, and they may not keep this information confidential. Students may also file a complaint with the United States Department of Education’s Office for Civil Rights, as set forth in Section III above.

Other Persons
Any other persons, including third parties, bystanders, and visitors on campus, who wish to report sexual misconduct should file a complaint with the Title IX Coordinator or Deputy Title IX Coordinator. They may also file a complaint with the United States Department of Education’s Office for Civil Rights, as set forth in Section III above.

Confidential Discussions
If an individual desires to talk confidentially about his or her situation, there are resources available. The following confidential advisors are available to assist you and will not further disclose the information you provide, unless otherwise required to do so by law (e.g., if the victim is a minor):

Counseling Staff:
Melissa McHenry, M.A., M.S., LCPC, (618) 537-6416
Charles Gregory II, M.A., LCPC, LPC, (618) 537-6975
Counselors may also be reached at (618) 537-6590
After hours (618) 975-4385

All confidential advisors complete 40 hours of training regarding issues of sexual misconduct prior to appointment and complete 6 hours of additional training on an annual basis. They also are trained to have an understanding of the University’s specific policy and processes for addressing sexual misconduct and resources available on campus and in the community.

There are also other confidential resources available. The following resources are available to assist you as well. While these resources will maintain your confidentiality, they are required to make a non-identifying report to the Title IX Coordinator so that the University can analyze whether there are patterns or systemic problems of sexual misconduct on campus. These resources are:
Health Services Staff: Beth Allan, MSN, RN, BSN, CSN, NP-C, (618) 537-6502
Lesa Auten, (618) 537-6503

Electronic Reporting Option
Within twelve (12) hours of receiving an electronic report, the University will respond to the reporter through verbal, written, or electronic communication.

Anonymous Reporting Option
Anonymous complaints will be accepted by the University, although it is often difficult to gather facts and conduct a thorough investigation via anonymous complaints. The University has an anonymous reporting system. An anonymous report may be completed through the electronic reporting option through the link shown above.
Employees cannot fulfill their mandatory reporting obligations under this policy using this anonymous reporting option.

Summary of Options and Other Available Resource
Options for reporting and other resources, such as local law enforcement and community-based organizations, are outlined in Appendix A.

Content of the Complaint

So that the University has sufficient information, a complaint being made for purposes of an investigation should include: (1) the date(s) and time(s) of the alleged conduct; (2) the names of all person(s) involved in the alleged conduct, including possible witnesses; (3) all details outlining what happened; and (4) contact information for the complainant so that the University may follow up appropriately.

Information Provided to Complainant and Respondent
A complainant who makes a claim of sexual misconduct to the University will be given a copy of the document titled “Rights and Options After Filing a Complaint Under the University’s Sexual Misconduct Policy.” This document provides information about this policy and the Complaint Resolution Procedures used to investigate and resolve complaints of sexual misconduct, possible interim protective measures and accommodations that may be available, options for filing complaints with the local police, and resources that are available on campus and in the community, as well as other pertinent information. A person against whom a complaint has been filed will also be given similar information about the process and resources.

Conduct that Constitutes a Crime
Any person who wishes to make a complaint of sexual misconduct that also constitutes a crime—including sexual violence, domestic violence, dating violence, or stalking—is encouraged to make a complaint to local law enforcement. If requested, the University will assist the complainant in notifying the appropriate law enforcement authorities. In the event of an emergency, please contact 911. A victim may decline to notify such authorities.

Special Guidance Concerning Complaints of Sexual Violence, Domestic Violence, Dating Violence, or Stalking
If you are the victim of sexual violence, domestic violence, dating violence, or stalking, do not blame yourself. These crimes are never the victim’s fault. When a physical crime of violence has been perpetrated against you, the University recommends that you immediately go to the emergency room of a local hospital and contact local law enforcement, in addition to making a prompt complaint under this policy.

If you are the victim of sexual violence, domestic violence, or dating violence, do everything possible to preserve evidence by making certain that the crime scene is not disturbed. Preservation of evidence may be necessary for proof of the crime or in obtaining a protection order. As necessary to preserve evidence, victims of sexual violence, domestic violence, or dating violence should not bathe, urinate, douche, brush teeth, or drink liquids until after they are examined and, if necessary, a rape examination is completed. Clothes should not be changed. When necessary, seek immediate medical attention at an area hospital and take a full change of clothing, including shoes, for use after a medical examination. Victims may go to Memorial Hospital, East, located at 1404 Cross Street, Shiloh, Illinois, 62269 to obtain a medical forensic examination. The phone number for this facility is (618) 607-1000.

It is also important to take steps to preserve other types of evidence such as letters, emails, text messages, social media posts, pictures, etc. This type of information is relevant in all situations involving sexual misconduct, and it is likely to be the only type of evidence available in cases of sexual harassment and stalking (other than witnesses).

Once a complaint of sexual violence, domestic violence, dating violence, or stalking is made to the University, the complainant has several options such as, but not limited to:
• Contacting parents or a relative
• Seeking legal advice
• Seeking personal counseling (always recommended)
• Pursuing legal action against the perpetrator
• Pursuing disciplinary action through the University
• Requesting that no further action be taken
• Requesting further information about the University’s policy and procedures for addressing sexual misconduct
• Requesting further information about available resources

Vendors, Contractors, and Third-Parties
This policy applies to the conduct of vendors, contractors, and third parties. Members of the University Community who believe they have been subject to sexual misconduct in violation of this policy by a vendor, contractor, or other third party can make a complaint in the manner set forth in this section.

Retaliation
It is a violation of this policy to retaliate against any member of the University Community who reports or assists in making a complaint of sexual misconduct or who participates in the investigation of a complaint in any way. Persons who believe they have been retaliated against in violation of this policy should make a complaint in the manner set forth in this section. All institutional sanctions are available for those found to have engaged in retaliatory conduct, up to and including termination or expulsion.

14. Protecting the Complainant
Pending final outcome of an investigation in accordance with the Complaint Resolution Procedures, the University will take steps to protect the complainant from further discrimination or harassment. This may include assisting and allowing the complainant to change his or her academic, living, dining, transportation, or work situation, to the extent that the University has control over these environments, if options to do so are reasonably available and upon request of the complainant. Such changes may be available regardless of whether the victim chooses to report the crime to McKendree University Public Safety or local law enforcement. Requests to change an academic, living, dining, transportation, or work situation, or for any other protective measure (such as a no-contact order), should be made to the Title IX Coordinator or Deputy Title IX Coordinator.

If a complainant has obtained an ex parte order of protection, full order of protection, or any other temporary restraining order or no contact order against the alleged perpetrator from a criminal, civil, or tribal court, the complainant should provide such information to the Title IX Coordinator or Deputy Title IX Coordinator. The University, in conjunction with McKendree University Public Safety, will take all reasonable and legal action to implement the order.

Amnesty
The University recognizes that an individual who has engaged in behavior that may violate the University’s Student Code of Conduct may be hesitant to report sexual misconduct. To encourage reporting, the University will grant immunity to any student who reports, in good faith, an alleged violation of this policy to the Title IX Coordinator or other employee. The reporting student will not receive a disciplinary sanction by the College for a conduct violation, such as under aged drinking, that is revealed in the course of such a report, unless the College determines that the violation was egregious, including without limitation, an action that places the health and safety of any other person at risk.
Notwithstanding the University’s commitment to amnesty in these situations, the University may require the reporting individual to attend a course or pursue other educational interventions related to alcohol and drug use. Further, this amnesty provision does not prevent action by police or other legal authorities against an individual who has illegally consumed alcohol or drugs or otherwise violated the law.
Timing of Complaints
The University encourages persons to make complaints of sexual misconduct as soon as possible because late reporting may limit the University’s ability to investigate and respond to the conduct complained of.

Investigation and Confidentiality
All complaints of sexual misconduct will be promptly and thoroughly investigated in accordance with the Complaint Resolution Procedures, and the University will take disciplinary action where appropriate. The University will make reasonable and appropriate efforts to preserve an individual’s privacy and protect the confidentiality of information when investigating and resolving a complaint. However, because of laws relating to reporting and other state and federal laws, the University cannot guarantee confidentiality to those who make complaints.

In the event a complainant requests confidentiality or asks that a complaint not be investigated, the University will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation. If a complainant insists that his or her name not be disclosed to the alleged perpetrator, the University’s ability to respond may be limited. The University reserves the right to initiate an investigation despite a complainant’s request for confidentiality in limited circumstances involving serious or repeated conduct or where the alleged perpetrator may pose a continuing threat to the University Community. The Title IX Coordinator, the Deputy Title IX Coordinator, the Dean of Students, and the Director of Public Safety are responsible for evaluating requests for confidentiality. They may consult with other appropriate University officials and legal counsel as necessary.

Resolution
If a complaint of sexual misconduct is found to be substantiated, the University will take appropriate corrective and remedial action to prevent the recurrence of the conduct and correct its discriminatory effects. Students and employees found to be in violation of this policy will be subject to discipline up to and including written reprimand, probation, suspension, demotion, termination, or expulsion. Affiliates and program participants may be removed from University programs and/or prevented from returning to campus. Remedial steps may also include counseling for the complainant, academic, transportation, work, or living accommodations for the complainant, separation of the parties, and training for the respondent and other persons.

Bad Faith Complaints
While the University encourages all good faith complaints of sexual misconduct, the University has the responsibility to balance the rights of all parties. Therefore, if the University’s investigation reveals that a complaint was knowingly false, the complaint will be dismissed and the person who filed the knowingly false complaint may be subject to discipline.

Academic Freedom
While the University is committed to the principles of free inquiry and free expression, sexual misconduct is neither legally protected expression nor the proper exercise of academic freedom.

Education
Because the University recognizes that the prevention of sexual misconduct is important, it offers educational programming on an annual and ongoing basis to a variety of groups such as: campus personnel; incoming students and new employees participating in orientation; and members of athletic teams and other student organizations. Among other elements, such training will cover relevant definitions, procedures, and sanctions; how to make a complaint; the identities and roles of the Title IX Coordinator, Deputy Title IX Coordinator, confidential advisors, and other resources; safe and positive options for bystander
intervention; and risk reduction information, including recognizing warning signs of abusive behavior and how to avoid potential attacks. To learn more about education resources, please contact the Title IX Coordinator or the Deputy Title IX Coordinator.

Sexual Misconduct Complaint Resolution Procedures

**Applicability**
These Complaint Resolution Procedures apply to the resolution of all reports under the Sexual Misconduct Policy. They apply to the resolution of complaints against students, faculty, administrators, staff, and third parties, and they are the exclusive means of resolving complaints of sexual misconduct. To the extent there are any inconsistencies between these Complaint Resolution Procedures and other University grievance, complaint, or discipline procedures, these Complaint Resolution Procedures will control the resolution of complaints alleging violations of the Sexual Misconduct Policy.

**Administration**
For purposes of these Complaint Resolution Procedures, “Investigating Officer” means the Title IX Coordinator and/or individual(s) designated by the Title IX Coordinator to investigate a particular complaint.

**Promptness, Timeliness, Fairness and Impartiality**
These procedures provide for prompt, timely, fair, and impartial investigations and resolutions. All University officials involved in the investigation or appeal process shall discharge their obligations under these Complaint Resolution Procedures fairly and impartially. If an involved University official determines that he or she cannot apply these procedures fairly and impartially because of the identity of a complainant, respondent, or witness, or due to any other conflict of interest, another appropriate individual will be designated to administer these procedures.

**Training**
These procedures will be implemented by University officials who receive a minimum of 8-10 hours of training on an annual basis on the issues related to sex discrimination, sexual harassment, sexual violence, domestic violence, dating violence, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

**Cooperation with Law Enforcement**
As necessary and when applicable, the University will contact and cooperate with law enforcement in situations involving sexual misconduct.

**Investigation and Resolution of the Complaint**

**Preliminary Matters**

**Timing of the Investigation**
The University will endeavor to conclude its investigation and resolution of the complaint within sixty (60) calendar days of receiving it. Both the complainant and the respondent will be given periodic updates regarding the status of the investigation. If either the complainant or respondent needs additional time to prepare or to gather their witnesses or information, they shall notify the Investigating Officer in writing explaining how much additional time is needed and why it is needed. The Investigating Officer shall respond to any such request within three (3) days.

**Informal Resolution**
Informal means of resolution, such as mediation, may be used in lieu of the formal investigation and
determination procedure. The following standards apply to any informal resolution method that is utilized:

- The informal process can only be used with both parties' voluntary cooperation and appropriate involvement by the institution (e.g., the Title IX Coordinator)
- The complainant will not be required to “work out” the problem directly with the respondent
- Either party may terminate the informal process at any time and elevate the complaint to the formal investigation procedures described below
- Informal resolution in the form of mediation, even on a voluntary basis, will not be used to resolve complaints alleging sexual assault

**Interim Measures**

At any time during the investigation, the Investigating Officer may determine that interim remedies or protections for the parties involved or witnesses are appropriate. These interim remedies may include separating the parties, placing limitations on contact between the parties, suspension, or making alternative class-placement or workplace arrangements. Failure to comply with the terms of these interim remedies or protections may constitute a separate violation of the Sexual Misconduct Policy.

**Preponderance of the Evidence Standard**

In making any determination on the resolution of the complaint, the evidentiary standard is the preponderance of the evidence; that is, whether it is more likely than not that sexual misconduct occurred.

**Support Person/Advisor**

During the investigation process, both a complainant and a respondent may ask a support person/advisor to accompany him or her at all stages of the process, including meetings with the Investigating Officer and at the hearing. In cases involving multiple complainants or respondents, the support person/advisor cannot be another complainant or respondent. The support person/advisor does not serve as an advocate on behalf of the complainant or respondent, may not be actively involved in any proceedings, and must agree to maintain the confidentiality of the process. A support person/advisor may be removed if he or she becomes disruptive, harasses or intimidates others involved in the process, or does not abide by the limitations discussed in the previous sentence. Additionally, the University is not required to allow particular support person/advisor be involved in the process if it would cause undue delay of any meeting with the Investigating Officer or the hearing. A support person/advisor will be asked to sign an affirmation that he or she understands his or her role in the process.

6. Pending Criminal Investigation

Some instances of sexual misconduct may also constitute criminal conduct. In such instances, the complainant is also encouraged to file a report with the appropriate law enforcement authorities and, if requested, the University will assist the complainant in doing so. The pendency of a criminal investigation, however, does not relieve the University of its responsibilities under Title IX. Therefore, to the extent doing so does not interfere with any criminal investigation, the University will proceed with its own investigation and resolution of the complaint.

**Rights of the Parties**

During the investigation and resolution of a complaint, the complainant and respondent shall have equal rights. They include:

- Equal opportunity to identify and have considered witnesses and other relevant evidence
- Similar and timely access to all information considered by the Investigating Officer and hearing panel
- Equal opportunity to review any statements or evidence provided by the other party
- Equal access to review and comment upon any information independently developed by the Investigating Officer and hearing panel should the Investigating Officer or hearing panel share such information with the other party
- Equal opportunity to appeal determinations pursuant to Section III, below
Initial Notification
Prior to commencement of the investigation, the complainant and the respondent shall (i) receive notice of the individual(s) with authority to make a finding or impose a sanction at the conclusion of the investigation and (ii) have the opportunity to request a substitution if the participation of an individual with authority to make a finding or impose a sanction poses a conflict of interest. The initial notification shall be in a written format.

Commencement of the Investigation
After the initial notification has been made, the Investigating Officer will commence an investigation of a complaint as soon as practicable, but not later than seven (7) days after the complaint is made. The purpose of the investigation is to determine whether it is more likely than not that the alleged behavior occurred and, if so, whether it constitutes sexual misconduct. During the course of the investigation, the Investigating Officer may receive counsel from University administrators, the University’s attorneys, or other parties as needed.
In certain narrow circumstances, the Investigating Officer may commence an investigation even if the complainant requests that the matter not be pursued. In such a circumstance, the Investigating Officer will take all reasonable steps to investigate and respond to the matter in a manner that is informed by the complainant’s articulated concerns.

Content of the Investigation
During the investigation, the complainant will have the opportunity to describe his or her allegations and present supporting witnesses or other evidence. The respondent will have the opportunity to respond to the allegations and present supporting witnesses or other evidence. The Investigating Officer will review the statements and evidence presented and may, depending on the circumstances, interview others with relevant knowledge, review documentary materials, and take any other appropriate action to gather and consider information relevant to the complaint. All parties and witnesses involved in the investigation are expected to cooperate and provide complete and truthful information.

Investigative Report
At the conclusion of the investigation, the Investigating Officer will prepare a written report that summarizes all information and facts. The written report will explain the scope of the investigation, identify findings of fact, and information obtained throughout the course of the investigation (e.g., written statements, copies of emails/text messages, etc.) will be included as an addendum.

Hearing

The Hearing Panel
At the conclusion of the Investigating Officer’s investigation, a three-member hearing panel (the “Panel”) will be convened. The Panel will be appointed by the Title IX Coordinator or the Deputy Title IX Coordinator and will be comprised of one or two fulltime faculty members and one or two fulltime staff members who have received training on the University’s Sexual Misconduct Policy and in conducting hearings of this nature. One member of the Panel will be appointed as the Chair.

Initial Panel Meeting and Notification to the Parties
The Investigating Officer’s investigative report and information obtained through the course of the investigation will be provided to the Panel. Prior to the hearing, the Panel will meet to discuss the complaint and information provided by the Investigating Officer. A hearing date and time will be set and the complainant and respondent will be invited to appear before the Panel, to present testimony, witnesses, and any other information they would like considered.
Hearing Standards
The following standards apply to a hearing under these Complaint Resolution Procedures:

- Upon request, arrangements will be made so that the parties do not have to be in the same room as each other but will still be able to hear each other’s statements to the Panel.

- The Panel may ask questions of the parties and witnesses. Questions from the Panel will be limited to the incident itself and will not involve questions regarding a complainant’s unrelated prior sexual activity. Evidence of a prior consensual dating or sexual relationship between the parties by itself does not imply consent or preclude a finding that sexual misconduct occurred.

- The complainant and respondent may not directly cross examine one another, but may, at the discretion and direction of the Chair, suggest questions to be posed to the other party by the Chair.

- The Panel will maintain confidentiality throughout the entire process. The hearing will be a closed hearing, and it will be audio recorded.

- The minutes of the hearing will be prepared by the Chair.
- The Chair may implement more detailed procedures to ensure a timely, fair, and efficient hearing. However, in no event will the hearing extend beyond one day in length, unless the Chair determines it is necessary based on extraordinary circumstances.

Additional Panel Review
After the conclusion of the hearing, if the Panel deems it necessary, it may conduct its own formal inquiry by calling witnesses and/or gathering whatever additional information it believes necessary to assist it in reaching an ultimate decision and appropriate sanctions in the event of a violation of this Policy.

The Panel’s Written Determination and Possible Sanctions and Remedial Measures for Policy Violations
Applying the preponderance of the evidence standard, the Panel will make a determination as to whether or not a violation of the University’s Sexual Misconduct Policy occurred. If the Panel determines that a violation of the University’s Sexual Misconduct Policy did not occur, it shall issue a written determination that sets forth the scope of what was considered and the findings upon which the decision is based.

If the Panel determines that a violation of the University’s Sexual Misconduct Policy occurred, it shall issue a written determination that sets forth the scope of what was considered, the findings upon which the decision is based, and includes sanctions and steps necessary to maintain an environment free from discrimination and harassment and to protect the safety and well-being of the complainant and other members of the University Community. Sanctions can include other remedial measures to correct the effects of such conduct on the complainant and others and to prevent the recurrence of discrimination, harassment, and/or retaliation.

Examples of such sanctions include, but are not limited to: no-contact orders, classroom reassignment, the provision of counseling or other support services, and/or training. It also includes discipline for the respondent, including written formal warning, suspension, dismissal, or other appropriate institutional sanction(s), depending on the severity of the incident and taking into account any previous disciplinary infractions. A determination that sexual violence occurred may result in permanent dismissal from the University.

Notification of Panel Determination
The Panel’s written determination will be provided to the complainant, the respondent, and the Title IX
Coordinator within three (3) days of its completion. If necessary, the Panel’s written determination will be redacted to ensure that information concerning any remedial and/or disciplinary measures is disclosed in a manner consistent with Title IX, FERPA, and the Clery Act, as explained by the April 4, 2011 Dear Colleague Letter issued by the U.S. Department of Education, available at http://www2.ed.gov/about/offices/list/ocr/letters/colleague-201104.pdf. The Panel’s written determination, including any sanctions imposed, will be included in the parties’ University files.

Finality of the Panel’s Decision and Appeal Rights
The Panel’s written determination shall be final, subject only to the right of appeal set forth in Section III below.

Special Procedure Concerning Complaints Against the President, the Title IX Coordinator, or Other Administrators Ranked Higher than the Title IX Coordinator
If a complaint involves alleged conduct on the part of the University’s President, the University’s Board of Trustees (“Board”) will designate the Investigating Officer. Based on the information gathered by the investigation, the Board will prepare and issue the written report determining the complaint and, as necessary, implementing any sanctions or remedial measures. The determination of the Board is final and not subject to appeal.

If a complaint involves alleged conduct on the part of the Title IX Coordinator or any administrator ranked higher than the Title IX Coordinator, the President will designate the Investigating Officer. Based on the information gathered by the investigation, the President will prepare and issue the written report determining the complaint and, as necessary, implementing any sanctions or remedial measures. The determination of the President is final and not subject to appeal.

APPEALS

Grounds for Appeal
The complainant or respondent may appeal the Panel’s determination of a complaint only on the following grounds:

- Question of Fact: there is a substantial likelihood that newly discovered information, not available at the time evidence was presented to the Investigating Officer and Panel, would result in a different determination. Evidence known to the appealing party at the time of the investigation or Panel hearing, but withheld, shall not constitute a question of fact and will not be considered upon appeal;
- Question of Procedure: there was a procedural error significant enough to have affected the ultimate determination;
- Severity of Sanction: the sanction, punishment, or the corrective action imposed is disproportionate to the violation. Mere dissatisfaction with the sanction is not grounds for appeal.

Method of Appeal
Appeals for cases involving students must be filed with the Vice President for Student Affairs (“Appeals Officer”) within seventy-two (72) hours of receipt of the written report determining the outcome of the complaint. Appeals for cases involving employees must be filed with the Vice President for Finance and Administration. The appeal must be in writing and contain all of the following information:

- Name of the complainant
- Name of the respondent
- A statement of the determination of the complaint, including corrective action if any
- A detailed statement of the basis for the appeal including the specific facts, circumstances, and argument in support of it, and
• Requested action, if any When an appeal has been filed, the non-appealing party will be notified of such in writing. The appealing party may request a meeting with the Appeals Officer, but the decision to grant a meeting is within the Appeals Officer’s discretion. However, if a meeting is granted, then the other party will be granted a similar opportunity.

Resolution of the Appeal
The Appeals Officer will resolve the appeal within ten (10) days of receiving it and may take any and all actions that he or she determines to be in the interest of a fair and just decision. The parties will be notified in writing if the Appeals Officer’s decision will take longer than 10 days. The decision of the Appeals Officer is final. The Appeals Officer shall issue a short and plain, written statement of the resolution of the appeal, including any changes made to the Investigating Officer’s previous written determination and/or the sanctions and remedial measures imposed. The written statement shall be provided to the complainant, respondent, and the Title IX Coordinator within three (3) days of the resolution.

Documentation
Throughout all stages of the investigation, resolution, and appeal, the Investigating Officer, the Title IX Coordinator, the Deputy Title IX Coordinator, and the Appeals Officer, as the case may be, are responsible for maintaining documentation of the investigation and appeal, including documentation of all proceedings conducted under these Complaint Resolution Procedures, which may include written findings of fact, transcripts, and audio recordings.

INTIMATE PARTNER VIOLENCE POLICY

McKendree University is committed to providing a learning, working and living environment that promotes personal integrity, civility, and mutual respect. Intimate partner violence defiles an individual’s fundamental rights and personal dignity. McKendree University considers intimate partner violence in all its forms to be a serious offense and is prohibited under Title IX. This policy includes all forms of intimate partner violence including: stalking, dating violence, sexual violence, and domestic violence offenses.

Students and employees who believe they may have been violated should contact the Title IX Coordinator, Dr. Joni Bastian, Assistant Vice President of Student Affairs, by e-mail at jjbastian@mckendree.edu or by phone at (618) 537-6555. The Office of Student Affairs is located at 108 Clark Hall, 701 College Road, Lebanon, Illinois. Students may contact the Title IX Deputy Coordinator, Ms. Jennifer Miller Assistant Vice President for Student Affairs, by phone at (618) 537-6872. The Office of Student Affairs is located at 108 Clark Hall, 701 College Road, Lebanon, Illinois. The Title IX Coordinators shall provide for the adequate, reliable, and impartial investigation of all complaints.

Definitions and Examples

Intimate Partner Violence means any physical, sexual, or psychological harm against individuals in heterosexual or same-sex relationships by current or former partners and spouses of the individuals which includes stalking, dating violence, sexual violence, and domestic violence. It does not require sexual intimacy between the individual and such partner or spouse.

Stalking means willfully and repeatedly engaging in a knowing course of harassing conduct directed at another individual that reasonably and seriously alarms, torments, or terrorizes the individual. Some examples of stalking constitute actions which are started or continued without the victim’s consent; approaching or confronting the victim; appearing at the victim’s workplace, residence, or property; or delivering things to the victim or to the victim’s property (2013 VAWA: Campus SaVE Act).

Effective Consent is the basis of the analysis applied to unwelcome sexual contact. Lack of consent is the critical factor in any incident of sexual misconduct.

- Consent is informed, freely and actively given and requires clear communication between all persons involved in the sexual encounter.
- Consent is active, not passive. Consent can be communicated verbally or by actions. But in whatever way consent is communicated, it must be mutually understandable. Silence, in and of itself, cannot be interpreted as consent.
- It is the responsibility of the initiator of sexual contact to understand fully what the person with whom he or she is involved wants and does not want sexually.
- Consent to one form of sexual activity does not imply consent to other forms of sexual activity.
- Previous relationships or consent do not imply consent to future sexual acts.
- Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion.
- Coercion is unreasonable pressure for sexual activity.
Effective consent cannot be given by minors, mentally disabled individuals, or persons incapacitated as a result of drugs or alcohol. Incapacitation is a state where one cannot make a rational, reasonable decision because he/she lacks the ability to understand the “who, what, when, where, why, or how” of the sexual interaction. This policy
also covers someone whose incapacity results from mental disability, sleep deprivation, involuntary physical restraint, or from the taking of a “date-rape” drug. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another student for the purpose of inducing incapacity is a violation of this policy.

**Bystander Intervention** means safe and positive actions that may be carried out by an individual to prevent or intervene when there is a risk of sexual violence against a person.

**Risk Reduction** means options for recognizing warning signs of abusive personalities and how to fight back against potential attackers.

**Awareness Programming** means any program designed to alert students or employees to the prevalence of intimate partner violence, sexual violence, and stalking including discussions of the nature and number of cases of intimate partner violence, sexual violence, forcible sex offenses, and stalking reported at an institution of higher education in the 3 preceding calendar years (Clery Report); statistics on the outcomes of disciplinary proceedings for such cases and risk factors associated with such cases, including physically, sexually, and psychologically controlling behavior.

**Primary Prevention Programming** means programming and strategies intended to stop sexual and intimate partner violence before it occurs through the changing of social norms and other approaches.

**Risk Reduction Strategies and Bystander Intervention**

Communicate your limits clearly. Tell them quickly, firmly, and clearly. Polite approaches may be ignored or misunderstood. Say “No” when you mean “No.” Avoid giving mixed messages.

Know where you are going and be comfortable with the plans. Don’t go anywhere with someone you don’t know well. If you do leave a party with a new friend, tell the friends you came with where you are going and when you are coming back.

Drinking and drug use can impair your ability to think, act, or communicate clearly.

Only drink something that you have poured yourself or that comes in a pre-sealed container. Don’t drink something that has been left unattended.

Listen to your gut feelings. If you feel uncomfortable or think you might be at risk, leave the situation immediately and go to a safe place.

**Look for warning signs. Pay attention to behavior that does not feel right. Be careful of anyone who…**

- ignores your personal boundaries,
- does not listen to what you say,
- is jealous and possessive of you and your time,
- gets upset when you don’t do what they want,
- tries to make you feel guilty to get their way,
- is under the influence of alcohol or other drugs,
- insists you go someplace alone or apart from others.

**Reduce the Risk of Committing Sexual Assault**

Ask for consent and listen to what your partner has to say. If your partner says “no” to sexual contact believe the person and stop.

Don’t assume that if someone had sex before he/she wants to have sex again. Don’t assume that if your partner consents to kissing or other sexual activities, he/she consents to all sexual activities.

Understand that if you have sex with someone who is intoxicated, drugged, passed out, or otherwise incapable of saying “no” or unaware of his/her surroundings, you may be guilty of rape.
**Bystander Intervention**

Bystanders are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” (Banyard, V.L., Plante, E.G. & Moynihan, M. M., 2004) It is important to look out for each other and to care for the individual being violated; call 911 or others for assistance.

**Confidentiality**

The University will make reasonable efforts to maintain confidentiality throughout the entire investigation. The degree, to which confidentiality can be protected, however, depends upon the professional role of the person being consulted. The professional being consulted should make these limits clear before any disclosure of facts by the alleged victim.

**Federal Statistical Reporting Obligations**

Certain campus officials have a duty to report sexual misconduct to the Director of Public Safety for federal statistical reporting purposes. All personally identifiable information is kept private, but statistical information must be passed along to campus law enforcement regarding the type of incident and its general location (on or off-campus, in the surrounding area, but no addresses are given), for publication in the annual Clery Campus Security Report. This report helps to provide the community with a clear picture of the extent and nature of campus crime, to ensure greater community safety.

Mandated federal reporters include: human resources staff, campus law enforcement, student affairs staff, conduct officers, athletic directors, coaches, residence life staff, student activities staff, advisors to student organizations, and any other officials with significant responsibility for student and campus activities.

**Standard for Determining Responsibility**

According to the Office of Civil Rights, the standard used to determine responsibility in cases of intimate partner violence will be Preponderance of the Evidence Standard, whether it is more likely than not that the accused violated the Policy on Intimate Partner Violence. The Clear and Convincing Standard, whether it is highly probable or reasonably certain that the accused violated the Policy on Intimate Partner Violence, is a higher standard of proof and is not used under Title IX. Students found to have violated this policy will be disciplined up to dismissal from the University.

**Following Intimate Partner Violence**

A member of the University community who has experienced intimate partner violence is urged to make an official report to the local police and/or the University’s Public Safety Department. Whether or not the individual makes an official report, he or she is also urged to seek appropriate help, which may include medical evaluation, obtaining information, support, and counseling, either on or off campus. The Office of Student Affairs and Health Services and Counseling have staff who are trained to provide support to students who have been assaulted.

**Medical Treatment**

A person who has experienced intimate partner violence should seek appropriate medical evaluation as promptly as possible.

For life-threatening conditions, call 911

Memorial Hospital, Belleville, IL (618) 233-7750  
St. Elizabeth’s Hospital, Belleville, IL (618) 234-2120  
St. Joseph’s Hospital, Highland, IL (618) 651-2600  
St. Joseph’s Hospital, Breese, IL (618) 526-4511

A person who has experienced intimate partner violence is encouraged to collect medical/legal evidence. Collection of evidence entails interaction with police and a police report. Prompt collection of physical evidence is essential should a person later decide to pursue criminal prosecution and/or civil action.

**Orders of Protection**
An individual who has experienced intimate partner violence may wish to obtain an order of protection, no contact order, restraining order, or similar lawful order issued by a criminal or civil court. A copy of any order of protection should be given to the Office of Public Safety. To honor the order of protection, the Office of Public Safety will forward a copy to the Office of Student Affairs if the order involves a student or to the Human Resources Office if the order involves an employee. Directions for obtaining orders of protection will be provided to the complainant.

**Officially Reporting Intimate Partner Violence**
For intimate partner violence that took place on campus, students and employees may contact Public Safety at (618) 537-6911 and/or call the Lebanon Police Department directly at 911. Public Safety Officers can assist in notifying the local police if the individual chooses. Public Safety Officers will respond quickly and with sensitivity upon notification of the incident. Public Safety will contact the Title IX coordinator in situations involving employees and the Vice President for Student Affairs in situations involving students.
A student or employee who reports to the institution that he or she has been the victim of intimate partner violence shall have the opportunity to request that prompt disciplinary proceedings be initiated against the accused. The proceedings shall be conducted by officials trained to understand the issues of sex offenses and other intimate partner violence. In addition, the accused shall receive notification of options for, and available assistance in, changing academic, living, transportation, and working situations, if such assistance is requested by the student or employee and if such accommodations are reasonably available.

**Employees**
Whether an employee elects to report intimate partner violence to the police, he or she is urged to make an official report directly to the Director of Human Resources/Title IX Coordinator. The Vice President for Student Affairs/Title IX Deputy Coordinator is located at 108 Clark Hall and the office phone number is (618) 537-6854. The Vice President for Student Affairs will inform the Title IX Coordinator, the Director of Public Safety, and the Lebanon Police Department that an incident occurred on campus.

**Students**
Whether a student elects to report intimate partner violence to the police, he or she is urged to make an official report directly to the Vice President for Student Affairs/Title IX Deputy Coordinator. The Vice President for Student Affairs/Title IX Deputy Coordinator is located at 108 Clark Hall and the office phone number is (618) 537-6854. The Vice President for Student Affairs will inform the Title IX Coordinator, the Director of Public Safety, and the Lebanon Police Department that an incident occurred on campus.
Investigating an Allegation of Intimate Partner Violence

Investigations of the allegations of intimate partner violence will use the following responsive grievance procedures:

Informal Resolution Procedures
Some complaints may be resolved through informal mediation between the parties. Informal Resolution Procedures are optional and may be used when the institution determines that it is appropriate. Informal procedures are never applied in cases involving violence or non-consensual sexual intercourse.

The Title IX Coordinator and the Title IX Deputy Coordinator may arrange for or facilitate mediation between the involved parties and coordinate other informal problem resolution measures.

Once a report of intimate partner violence has been made, informal resolution procedures shall be pursued within seven calendar days from the initial report.

Formal Resolution Procedures
Any member of the University community who believes that he/she has been the victim (the complainant) of intimate partner violence may bring the matter to the attention of one of the following individuals: the Title IX Coordinator; Title IX Deputy Coordinator; Provost; Director of Health Services; and the Executive Dean of the Kentucky Center (complaints emanating from Kentucky campus).

The complainant must submit to the Title IX Coordinator or to the Title IX Deputy Coordinator (for students) a written statement detailing the alleged offensive conduct. The contents of the written statement should include a complete statement of the facts of the incident including dates, times, locations, witnesses, any relevant background facts or circumstances, and the signature of the complainant. Cases involving intimate partner violence are particularly sensitive and demand special attention to the issues of confidentiality.

Upon receipt of the written complaint, the Title IX Coordinator or the Title IX Deputy Coordinator will inform the alleged offender of the complaint, the identity of the complainant, and will provide the written statement of the complaint within seven calendar days. Every reasonable effort will be made to protect the complainant from retaliatory action by those named in the complaint. Once the resolution process has been initiated, it will be followed to completion. The approximate time for resolution will be 60 days. Both parties will be notified if additional time is needed to complete the case.

The alleged offender may respond to the complaint with a written statement detailing the alleged offensive conduct. The contents of the written statement should include a complete statement of the facts of the incident including dates, times, locations, witnesses, any relevant background facts or circumstances, and the signature of the alleged offender. Cases involving intimate partner violence are particularly sensitive and demand special attention to the issues of confidentiality.

Hearing Panel
Promptly after the written complaints are submitted, the Title IX Coordinator or the Title IX Deputy Coordinator will convene a three-person hearing panel comprised of one or two full-time faculty members, one person from the University staff, either contract or hourly, and one student representative when the complainant and the alleged offender are both students. Members of the hearing panel are trained to understand the issues of sex offenses and other intimate partner violence.

Members of the hearing panel will meet to discuss the complaint. The parties to the dispute will be invited to appear, separately, before the panel, present testimony and witnesses.
The hearing panel may conduct its own formal inquiry, call witnesses, and gather whatever information it deems necessary to assist it in reaching a decision and recommendations for subsequent action. The hearing panel will maintain confidentiality throughout the entire process. The hearing panel will keep a verbatim record of the hearings by means of a single audio tape. During the proceedings, each party will be permitted to have counsel of his/her own choice. Such persons are present as advisors, but may not act as spokespersons for the parties. The University must be informed five days in advance if either party chooses to have legal counsel present. When either party invites legal counsel to be present, the institution may also invite legal counsel to the hearing.

Notice of the Outcome
Once the hearing panel has determined whether intimate partner violence was found to have occurred, the notice of the outcome will be communicated in writing to the President and to the Title IX Coordinator or to the Title IX Deputy Coordinator (in situations involving students). The Title IX Coordinator or the Title IX Deputy Coordinator will forward the findings to both parties through certified mail within one business day of such outcome being reached. The notice of the outcome will include “only the name of the accused, the violation alleged (including any institutional rules or code sections that were allegedly violated), essential findings supporting such final result, and any sanction imposed by the institution against the accused (including a description of any disciplinary action taken by the institution, the date of the imposition of such action, and the duration of such action).” The Campus Sexual Violence Elimination Act

Penalties for Misconduct
The following schedule of penalties applies to all violations of the Policy on Intimate Partner Violence. Where progressive discipline is provided for, each instance of conduct violating the Policy moves the offending person through the steps for disciplinary action. In other words, it is not necessary for an offender to repeat the same precise conduct in order to move up. A written record of each action taken pursuant to the Policy will be placed in the offending person’s file. The record will reflect the conduct, or alleged conduct, and the warning given, or other discipline imposed.

Intimate Partner Violence: Any person’s first proven offense of intimate partner violence may result in discharge/dismissal.

Other Acts of Intimate Partner Violence: A person’s commission of acts of intimate partner violence (other than sexual assault and violence) will result in non-disciplinary oral counseling upon alleged first offense, depending upon the nature or severity of the misconduct; and suspension or discharge upon the second proven offense, depending on the nature or severity of the misconduct.

Retaliation: Alleged retaliation against intimate partner violence complainant will result in non-disciplinary oral counseling. Proven retaliation will result in suspension or discharge upon the first proven offense, depending upon the nature and severity of the retaliatory acts, and discharge upon the second proven offense.

Appeal Process
Either party may appeal the hearing panel’s recommendations. The appeal must be filed with the Student Judicial Committee within 72 hours after the student has received formal notification of recommendations for action and must state specific grounds for the appeal. The grounds for an appeal are listed below:

1. Question of Fact—A party may appeal on questions of fact by introducing new evidence which would significantly affect the outcome of the case. Evidence which was known to the appellant at the time of the original hearing, but was withheld, shall not constitute a question of fact nor is it to be considered upon appeal.
2. Question of Procedure—The appellant must demonstrate that procedural guidelines established in this document were breached, and that the errors affected the outcome of the case.

3. Severity of Sanction—Appeals based on the severity of the sanction shall be considered only when the penalty imposed exceed the recommended range of sanctions for the specific violation. The accused can request leniency in cases where it is clearly demonstrable that the imposition of a sanction is inconsistent with previous judicial practice, even though it may be within the range of acceptable action. Mere dissatisfaction with the sanction is not grounds for appeal.

After the student has filed an appropriate request for an appeal he/she will be notified within 72 hours of the outcome of the appeal request. The Student Judicial Committee may deny hearing an appeal. However, if the Committee chooses to hear the appeal, it is authorized to take the following actions: it may change a finding of guilt to a finding of innocence, it may modify the penalty, or it may order a new hearing wherein new evidence or testimony not available at the previous hearing is regarded as being of sufficient importance will be presented. The appeal outcome from the Student Judicial Committee is final. Appeal hearings must be recorded.

**ANNUAL FIRE SAFETY REPORT**

The Higher Education Opportunity Act (HEOA) became public law 110-315 in August 2008. The Act requires all institutions of higher education that provide residential housing facilities for students to develop an annual fire safety report. The contents of this report reflect the requirements outlined in HEOA, which are included in the McKendree University campus fire safety programs.

Elements of the campus fire safety program consist of:
- Fire prevention policies and practices
- Fire safety education and training initiatives
- Description of fire protection equipment in residence halls
- Emergency evacuation procedures
- Fire safety statistics
- Plans for future improvements to residence hall campus fire safety programs.

The annual fire safety report summarizes the elements of the campus fire safety program, which is administered and maintained by Residence Life and the Department of Public Safety. This public disclosure is intended to inform students and employees of the fire safety programs and policies at McKendree University, and the institution's state of readiness to detect and respond appropriately to fire related emergencies.
**Description of On Campus Residence Halls Fire Safety System**

*Fire Alarm System*

The fire alarm safety system described below is utilized in each of the following on campus student housing facilities: Baker Hall, Barnett Hall, McKendree West, New Residence Hall East, New Residence Hall West, Suites and Walton Hall. If individuals within the University community smoke or use tobacco products off University properties, they are expected to be respectful of residents and businesses neighboring the University campus and properties. They should not loiter in front of homes and businesses near the University campus or properties, and must discard tobacco products in appropriate receptacles.

The University provides cessation resources to all students through the University’s Health Services. The success of this policy depends upon the cooperation of smokers and nonsmokers.
