

Connie Litteken – business administration**Why did you choose your degree program? How has it helped you grow personally and professionally?**

I chose McKendree University's online business administration degree program for the flexibility and McKendree's outstanding community reputation. The program has allowed me to grow professionally through an internship with the Department of Defense. Personally, the program has challenged me to achieve goals and set a positive example for my daughter.

What activities are you involved in at McKendree?

While at McKendree, I was a member of Tau Sigma National Honor Society, Phi Kappa Phi Honor Society, and Mu Gamma Kappa Honor Society.

Who helped you the most on your journey?

I'd like to thank my husband and daughter who have been my biggest supporters, as well as my current employer, the Defense Information Systems Agency (DISA).

What's next after graduation?

Upon graduation, I will continue in my career as a contract specialist with DISA at Scott Air Force Base.
