

Jeremy Kinealy – sport management

Why did you choose your degree program? How has it helped you grow personally and professionally?

I chose my degree program because of my passion and longing to work in the business of sport. The program has helped me expand my professional network and provided me with work opportunities and experiences I could not have imagined.

What activities are you involved in at McKendree?

At McKendree, I was involved in the tech crew at the Hett, bowled for the men's bowling team, and worked on campus for the athletic department.

What are you most proud of accomplishing during your time here?

There is not one thing I am most proud of accomplishing. I am simply grateful for all the things that I have been able to do because of McKendree.

If you could go back in time, what advice would you give your first-year self?

If I could go back in time, I would tell my first-year self to get involved on campus sooner than I did.

Who helped you the most on your journey?

The ones who have helped me the most throughout my time at McKendree are my parents, coaches, and advisors.

What's next after graduation?

I am still exploring my options after graduation.
