

“Harvest Challenge” 2015 Race Day Information

General: The 5K course is a rolling route through the Lebanon shopping district, a residential area to our local park, and returning to campus. 5K participants may also walk. The half marathon is a great training run. The course is a rolling to hilly but scenic route that initially travels the same route as the 5K and then extends to the farmland, meadows, pastures, one-lane bridges, and forested areas of northern St. Clair and southern Madison County. Runners enter “Hill Country” at the 8.5 mile point and face a series of challenging climbs over the next 1.5 miles. The half marathon finish line is the same as the 5K. **Our half marathon course closes at 11:00am**, so we discourage walkers. Pre-race course and safety briefing is at 7:40am. We allow strollers on the 5K course only. We expect about 250 total participants. Enjoy post-race refreshments while they last. On Race Day, registration fees are \$20 (5K) and \$40 (Half). For course elevations, see our web site. Our McKendree phone number is (618) 537-6420/6941.

Course Distances: To keep both races starting at the same start line and finishing at the same finish line, our half marathon course is slightly long. The 5K does measure 3.1 miles, but our “Super” Half Marathon, from start to finish, is actually 13.25 miles. You can, however, still nail a Personal Best (PB) time because we have a sign and a volunteer with a stop watch at the exact 13.1-mile point of the half marathon calling off times. You can note your time at that moment and then continue the short distance remaining to our finish line. Because of the different start/finish lines, our timing company computes results based on the “**Gun-to-Chip**” time (from the time the starting horn sounds until the time you cross the finish line). If you’re hoping to win a medal or a set a PB, move to the front at the starting line.

Directions to McKendree University

- Interstate 64 to Exit 23, Illinois Route 4, Lebanon. Turn north on Route 4.
- Turn left (west) at the first traffic light on West St. Louis Street in Lebanon.

Or

- Interstate 70 to Exit 21, Illinois Route 4. Turn south on Route 4.
