**New Student Orientation Staff Applications**

Information and Apply: www.mckendree.edu/orientation

**Applications for New Student Orientation Group Leaders is now available!**

*Orientation Coordinator Information will be posted SOON!*

As a diverse group that works hard and plays hard, we are looking for great students who want to further develop their professional and life skills while welcoming our incoming students and their families to McKendree! New Student Orientation provided an excellent opportunity to get involved and acquire valuable life experience!

We are an essential element in the beginning of the First-Year Experience and thank you for your interest in being a member of this exceptional group!

**NOW**

**FYI (First Year Introduction) Peer Leader Applications**

Online Applications Available: **HERE!!**

**Deadline: 5pm on February 23**

Did you enjoy getting to meet your new classmates and learn more about McKendree during the First Year Introduction (F.Y.I.) program? Would you like to help new first year students in their transition to life at McKendree? If so, then apply to be an FYI peer leader today!

As a peer leader, you will need to be available for 4 sessions of in person FYI (April 20, May 30, June 13, and July 11), 2 virtual sessions (June 18 and August 2) plus training sessions. All Lebanon campus undergraduate students are eligible to apply for this paid position. Selection is competitive and is based upon application and interview.

The Office of Residence Life at McKendree University has a variety of rewarding employment opportunities for students!

Make a great college experience even better by joining our staff! Students who work for our department have the opportunity to develop professional and life skills, meet new people, get involved, and gain valuable experience.

**Available SSM Positions include:**
- Resident Assistant (RA)
- Student Academic Mentor (SAM)

---

**February**

**Black History Month Video Links**

- The Loyola Project

In 1963, at the height of the civil rights movement, the Loyola Ramblers of Chicago broke racial barriers and changed college basketball forever. Now, nearly 60 years later, this legendary team is reexamined by Loyola basketball player and co-captain, Lucas Williamson. Woven together with archival footage and modern day interviews, this captivating story continues to provide inspiration in the fight for equality.
