1 **REALIZING** that 3.8 million refugees and undocumented immigrants have returned to Afghanistan in
2 the last few years,

3
4 **ALARMED** by the low amount of jobs available to help sustain families and acceptable qualities of life,
5 and

6
7 **NOTING FURTHER** that the Afghan refugee population is the second highest in the world, and

8
9 **TAKING INTO CONSIDERATION** that in 2018, 3,800 Afghans were killed and 7,100 injured, along
10 with hundreds of thousands being displaced, and

11
12 **DEEPLY CONCERNED** that 2.5 million Afghans suffer from debilitating hunger or malnutrition, each
13 year, and

14
15 **DESIRING** that the UN takes a more active role in combatting the negative, physical effects suffered by
16 Afghani refugees as they return to their home country;

- 17
18 1) **ENCOURAGES** the Afghan government to enact better regulations for those
19 immigrants re-entering the country;
- 20
21 2) **DRAWS ATTENTION TO** the need for United Nation members to address the rampant
22 starvation;
- 23
24 3) **STRONGLY RECOMENDS** the Afghanistan government creates government and civil
25 jobs designed to benefit and advance communities, while also preventing the
26 continuation of such vast starvation.
